

# Gulf to Bay

had a fantastic weekend  
at District Competition  
this year:

We won the **Most Improved Chorus**  
by 29 points over last years performance.

Then we took **3rd place medal** for  
**Small Sized Chorus**. Needless to say  
we were estatic.

Of course that means that this next  
year we are going to have to really work  
to try to top this years performance.
